ARRAY

DAY 1

k largest elements | Practice | GeeksforGeeks

https://practice.geeksforgeeks.org/problems/second-largest3735/1

https://practice.geeksforgeeks.org/problems/check-if-an-array-is-sorted0701/1

https://practice.geeksforgeeks.org/problems/remove-duplicate-elements-from-sorted-array/

Move Zeroes - LeetCode

Rotate Array - LeetCode

https://practice.geeksforgeeks.org/problems/searching-a-number0324/1

https://practice.geeksforgeeks.org/problems/union-of-two-arrays/0

Missing Number - LeetCode

Max Consecutive Ones - LeetCode

Single Number - LeetCode

DAY 2

https://practice.geeksforgeeks.org/problems/longest-sub-array-with-sum-k0809/1

Two Sum - LeetCode

Sort Colors - LeetCode

Majority Element - LeetCode

Maximum Subarray - LeetCode

Best Time to Buy and Sell Stock - LeetCode

Next Permutation - LeetCode

https://practice.geeksforgeeks.org/problems/leaders-in-an-array-1587115620/1

Alternate positive and negative numbers | Practice | GeeksforGeeks

Set Matrix Zeroes - LeetCode

Rotate Image - LeetCode

DAY 3

Spirally traversing a matrix | Practice | GeeksforGeeks

Transpose of Matrix | Practice | GeeksforGeeks

Rotate Image - LeetCode

Subarray Sum Equals K - LeetCode

Pascal's Triangle - LeetCode

Majority Element II - LeetCode

3Sum - LeetCode   OR   https://practice.geeksforgeeks.org/problems/triplet-sum-in-array-1587115621/1

4Sum - LeetCode   OR   https://practice.geeksforgeeks.org/problems/find-all-four-sum-numbers1732/1

https://practice.geeksforgeeks.org/problems/largest-subarray-with-0-sum/1

Subarray with given XOR | Interviewbit

DAY 4

Merge Intervals - LeetCode

https://practice.geeksforgeeks.org/problems/find-missing-and-repeating2512/1

Reverse Pairs - LeetCode

Maximum Product Subarray - LeetCode

https://practice.geeksforgeeks.org/problems/inversion-of-array-1587115620/1

Merge Without Extra Space | Practice | GeeksforGeeks

Unique Paths - LeetCode

Pow(x, n) - LeetCode

Max rectangle | Practice | GeeksforGeeks

Minimize the Heights II | Practice | GeeksforGeeks

BONUS

Chocolate Distribution Problem | Practice | GeeksforGeeks

Kids With the Greatest Number of Candies - LeetCode

Make Array Zero by Subtracting Equal Amounts - LeetCode

Running Sum of 1d Array - LeetCode

Factorials of large numbers | Practice | GeeksforGeeks
